SHANTUNG PORCELAIN
The wholesale price of these goods, the first of the season, was 15 cents, but we have purchased this large amount at a price which enables us to sell them at 13 1/2c. At this price they are great bargains as they are white, fine and strictly East China. We want you to call and see them, but if you want a cotton dress and cannot come, send for samples, for we cannot afford to lose the opportunity of getting so good a dress for so little money.
